[redacted] advised that SSD would take no action on the information in view of the Bureau's intention to interview GRIFFITH unless something developed during the course of the interview which would necessitate police action.

b6  
b7C

On 1/16/70, SANFORD GRIFFITH, Apartment 15A, 10 Sheridan Square, New York, New York, was interviewed by SAS EDWARD J. MULHOLLAND and [redacted] SA [redacted] advised GRIFFITH that the Bureau received information from an anonymous source that because of his activities, he had caused irreparable damage to the right-wing movement and as a result of this a threat was made to do bodily harm to him. GRIFFITH asked if the information came from the New York area and was told only that the information was received from another area of the country.

b6  
b7C

GRIFFITH stated that depending upon where the threat was made, he might possibly determine who was responsible for the threat.

He stated that he currently lectures on African culture at the Graduate School of the City College of New York and at the Washington Square Campus of New York University. He stated he plans to leave New York for Africa on 3/2/70.

GRIFFITH stated that he is not Jewish but has been a consultant to the Anti-Defamation League (ADL), B'nai B'rith for the past twenty some odd years. He maintains contact with the ADL through [redacted] and [redacted]

b6  
b7C

b6  
b7C  
b7D

GRIFFITH was asked what activities of his would have prompted the threat and who he thought might be responsible for the threat.

He stated that he has done very little for the ADL in the past year concerning the right-wing other than maintaining his contact with JAMES MADOLE, the leader of the National Renaissance Party.

NY 62-10660

He stated MADOLE is a "lone wolf" who has a "small and stupid outfit" which included some members described by GRIFFITH as "paranoids". GRIFFITH stated he knows that MADOLE has a "bunch of kooks hanging around him" but MADOLE visits GRIFFITH from time to time and furnishes GRIFFITH with information concerning the right wing. He stated his relationship with MADOLE is entirely friendly as he slips MADOLE \$10 or so when MADOLE visits him. He stated it would be to MADOLE's disadvantage to be involved in any threat against him.

GRIFFITH stated MADOLE maintains contact with [redacted]

[redacted] FIELDS (EDWARD R. FIELDS) of the National States Rights Party (NSRP) and WARNER on the West coast who buys and distributes literature from MADOLE.

GRIFFITH stated [redacted] "talks a lot but does not do anything".

FIELDS and the NSRP are pretty powerful with a following in quite a number of cities. He stated MADOLE and the NSRP jointly sponsored a demonstration in Baltimore, Maryland during May, 1969.

He stated that MADOLE and [redacted] have interjected "Satanism" into their organizations while the NSRP continues to advocate church affiliation.

Other than MADOLE and the persons he previously mentioned, he stated that [redacted] could be behind the threat. He stated that [redacted] is an "extremely right-wing conspiratorial type, neo-Nazi" who takes in \$1,000,000 through [redacted]. He stated [redacted] has revived "Nazism" through the cult book by YOCKEY. (FRANCIS PARKER YOCKEY wrote "Imperium"). He stated that [redacted] offers a "simple solution to all problems" to his 200,000 subscribers [redacted]. He characterized [redacted] as a "phony" who is "anti-Negro, anti-Jew and lives on prejudice".

NY 62-12000

GRIFFITH stated he has not received any anonymous letters or telephone calls of a threatening nature. He concluded that [redacted] might be responsible for the threat.

The ADL, according to GRIFFITH, is probably operating 100 persons and one of these persons could be responsible for furnishing the information concerning him which caused the threat to be made.

He stated he would advise [redacted] as someone working for [redacted] could have been responsible. He stated it would not be the first time that they had a double agent in [redacted].

GRIFFITH was advised that the NYCPD was advised of the threat against him. He stated that if anything came to his attention which might be associated with the threat, he would advise the NYO as "he saw no reason to bother the police".

GRIFFITH is described as a white male, height 5'7", weight 150-160 pounds, grey hair, eyes brown, wears glasses, born in Eugene, Oregon on 2/17/1893. He is heavy set and has a sallow complexion.

On 1/19/70, [redacted] was advised of the results of the interview with GRIFFITH. He stated that in the absence of additional developments, no further action would be taken at that time by SSD concerning the threat.

Relet requested the NYO recommendation with respect to the feasibility of interviewing [redacted].

The NYO is not in a position to assure the Bureau that the interview of [redacted] will not prove to be embarrassing to the Bureau as [redacted] relationship with the Minutemen specifically and the right wing movement in general is unknown.

It is highly unlikely that [redacted] if she is truly implicated in this plot as indicated, will shed any light on the plot against GRIFFITH.

NY 62-136-  
The only purpose of the interview, barring [redacted] cooperation, would be to make [redacted] aware that the Bureau is aware of her relationship with the Minutemen which might act as a deterrent in future Minutemen activities on her part.

Although the NYO is unable to predict the reaction of [redacted] to the interview, there appears to be no alternative to conducting the interview as [redacted] in the absence of having her proposal acted upon favorably by [redacted] may have contacted other persons whose identities are unknown to the Bureau and made the same proposal.

In the absence of specific recommendations to the contrary by Chicago or Detroit, the NYO is recommending that the Bureau approve New York's request to interview [redacted].

If [redacted] is not cooperative, the interview, by necessity to protect the Chicago source, will have to be limited to making [redacted] aware of the Bureau's knowledge of her Minutemen relationship.

If [redacted] is cooperative, the NYO will attempt to determine the true extent of [redacted] relationship with the right-wing.

ARMED AND DANGEROUS.

Armed and Dangerous is being carried re [redacted] as [redacted] has reportedly been armed and displayed a general propensity for violence in the past.

On 3/12/70, a demonstration in the form of a picket line was held by the NRP in front of the Main Post Office, 8th Ave., and 33rd Street, NYC, from 6:45 to 7:45 p.m. It was raining during the entire time of the demonstration and began to rain so hard by 7:45 that the picket line was discontinued. Those participating walked to the corner of 8th Ave and 33rd Street and went into the subway.

Approximately 12 persons participated in the picket line. They carried the American flag, two thunderbolt flags, and the following signs:

- "America For Whites"
- " Racial Purity Is American Security"
- "Join NRP"
- "America First"
- "American Power, Not Jew Power"
- "Keep G.I.'s Out of the Middle East"
- "White Power"

In addition to the above, they also carried a large placard with a picture of Adolph Hitler.

Gentlemen:

As per my conversation with your Nassau County office, I am attaching a "Hate Letter" that was put under my windshield wiper. This occurred during the evening of February 26th in Plainview, L.I. I parked my car outside of the Plainview Jewish Center and the street I parked in was Floral Park Road at 9:00 P.M. When I came out of the Jewish Center at about 11:15 P.M., I found the attached on my car. I am sending you this for whatever value this may be to you in tracking this down.

## DID YOU KNOW ?

- \* That Jews butchered 35 million Christians during the 1917 Russian-Bolshevik Revolution ?
- \* That Anarchy, Nihilism and Bolshevism are Jewish weapons to sabotage and destroy everything that is not Jewish ?
- \* That Jewish success is based on a vile system of 6,000 years of robbery, bribery, piracy, conspiracy, depredation, spoliation, distortion of all truth, plunder, fraud, blackmail and the breaking of all laws, the smearing of others with the blood of their own crimes ?
- \* That Jewish control of newspapers is total... they pull the strings through their heavy advertising - Jew department stores, supermarkets, furniture stores, etc. ?
- \* That Jews are aware of their own vile, dirty, base and filthy low nature and that they suffer from that complex - they bring everyone else down to their sick level - hippies, yippies, creeps... encouraging others to dress like slobs and be dirty and revolting ?
- \* Jews are moving towards a world government ("One-world") through the U.N., with the capital to be in Israel ?
- \* That Jews are promoting use of drugs among Gentile youth so as to destroy all resistance. LSD was first manufactured at the Weizman Institute in Israel and Jews promote its use by their control of the "hippie" movement... All Jewish-leftist propaganda glorifies use of "pot", "hash", "acid" and all forms of dope!
- \* Jews promote "generation gap" amongst Gentiles... the Jew family sticks very close together, but Jew teachers and professors always encourage non-Jewish children to hate their own parents!! ... another way of Jewish sabotage!
- \* That Jews have their own "secret police" and terror squad called "A.D.L." who are paid to harass non-Jews, and the "J.D.L." goon squad that physically attacks all those citizens who refuse to like Jews or "appreciate" Jew control of society.
- \* That Jews have a strict censorship over radio and TV? Everything done on TV must be approved by the Jew "committee"... Jokes can be done on everybody - Poles, Italians, Hungarians, Germans, Irishmen, American Indians, - even colored people - but NEVER about the Jews. They bring ridicule to all non-Jews but never to Jews!
- \* That Jews promote every type of pornography and filth in books and movies to sabotage normal instincts and feelings of non-Jews - to create a lack of self-respect among non-Jews, to bring all of society to the level of animals... that is what the Jew wants: a world state of animalistic, stupid, drugged, dirty, obedient slaves!!!

The Jews are the greatest threat to the world !

Every Jew should be investigated and then eliminated from  
society as soon as possible !

Dear Sirs:

My students, 85% of whom are members of the Jewish faith, have been very upset of late. During the past week citizens in the Jericho-Hicksville-Westbury area have found anti-Semitic hate literature attached to their cars. ( I am enclosing a copy of one of the broadsides ) The students are naturally upset and want to take action against this group. I want to make sure it is the right type of action that they take. I informed the students that I would write to your agency and the Anti-defamation League to see whether or not I could find out the name of the group that is printing this garbage. The broadsides are not signed but a Post Office Box is listed. This may be the work of only a few sick people and might be best handled by ignoring the matter. I would therefore, appreciate any help you can give me in this matter..

Yours truly,

Dear Rabbi Goldberg:

ATTENTION WHITE PATRIOTS!

THE NATIONAL RENAISSANCE PARTY NEEDS YOUR HELP IN DEFENDING  
WHITE NEIGHBORHOODS AND SCHOOLS FROM MILITANT BLACK TERRORISTS  
AND JEWISH SUBVERSIVES !

Come on WHITE AMERICANS !  
Remember your proud racial heritage  
and join with the NRP in clearing our  
public streets and educational facil-  
ities of Black savages and pot-smoking  
Jew "HIPPIES"

The once-proud American eagle lies prostrate.  
The American flag is desecrated. Our cities  
are burned. Crime is rampant. Dope addict-  
ion sweeps the nation's schools like a prairie  
fire. And what does the Establishment promise?  
More of the same! "Uncle Dick" Nixon points  
his finger at the white children of Mississippi  
and in no uncertain terms states, "I want YOU  
to integrate!" James Graham, a Negro pro-  
fessor at Duke University, addresses a Black  
Power movement and concludes by telling his  
audience, "There will be no progress in Amer-  
ica until we realize that White people will have  
to be killed." And his alter ego, the Jew Leon-  
ard J. Fein, an instructor at the Massachussetts  
Institute of Technology, avers, "We Jews are  
going to teach America what pluralism is all  
about." We suggest Professor Fein teach Israel  
what pluralism is all about. We suggest Pro-  
fessor Graham realize that terror will be met  
by terror. An eye for an eye. A tooth for a  
tooth. And we suggest that President Nixon  
stop listening to this Frankenstein's monster;  
this monster with the head of a Jew and the body  
of a Black; this unholy coalition of Jew and  
Black which seeks to destroy America.

Tonight when you sit in front of the electric  
Jew (sometimes referred to as a TV set)  
think about what this country once was and what

this country is now. When you take a walk tonight think about the criminals who infest our  
streets. When you watch your daughter leave for school in the morning think about the  
gang rape by more than 30 Black teenagers of a 17-year-old White homecoming Beauty  
Queen in the furnace room of a Philadelphia high school. And if you think the time has  
come for a militant White organization to combat the decadence which permeates America,  
then think about us: THE NATIONAL RENAISSANCE PARTY.

We urge you to JOIN US AND FIGHT FOR WHITE SURVIVAL !

RABBI'S STUDY

March 30, 1970

Dear Mr. Hoeg:

31

#310  
A member of my congregation informs me that you are investigating the National Renaissance Party. Recently they have been distributing scurrilous anti-semitic flyers in the community by attaching them to the windshield wipers of cars on our parking lot, the parking lots of the shopping centers in our area and also in the industrial parks.

I sent the first flyer to the Anti-Defamation League of B'nai B'rith, 250 Mineola Boulevard, Mineola, New York, whose Director, Mr. I. Joel Komarow, is also looking in this matter.

I also sent a copy of the first flyer to the Office of the Inspector in Charge, Post Office Department. I have enclosed their reply.

Needless to say, we are quite concerned over this kind of inflammatory literature which is being distributed throughout our community. I do hope that you will continue your investigation and pursue it vigorously.

Sincerely yours,

On March 16, 1970 [redacted] furnished a leaflet advertising an anti-Communist program to be held on 4/12/70 at Hunter College, Main Auditorium, Park Ave. at 68th St., New York City. This program is being sponsored by an organization named "The Saint George Association For Relief to Former Victims of Communist Terror, Inc.", and will commence at 2:30 pm. The program will include speeches, prayers, and music.

b7D

The leaflet also sets forth that after the above program a protest demonstration against the "humanity" of LENIN will take place. The majority of those attending will march, in an orderly fashion and bearing signs, to the headquarters of the Soviet Delegation to the United Nations, along 67th St. to Third Avenue.

Source obtained this leaflet at an NRP meeting in NYC on 3/15/70. At this meeting an elderly female, calling herself Mrs. LERMOLO, appeared and invited the NRP to participate in the 4/12/70 protest demonstration. NRP reaction was favorable towards participation.

On 3/30/70 source advised the writer that the NRP will definitely participate in above demonstration. They will not wear their uniforms, however, and will appear in white shirts, black ties, and armbands. They will carry their usual flags and posters.

The writer has notified Special Services, NYPD, today through [redacted]

Occurrence: Meeting of National Renaissance Party (NRP)

Twelve people attended a meeting of the NRP on Sunday evening, 2/22/70, at 10 West 90th St., NY City. This is the residence of JAMES MADOLE, the chairman of this meeting. Also present was LOUIS MOSTACCIO. [redacted] called during the course of this meeting and said that he couldn't make it.

Three members of the National Youth Alliance (NYA) were also present. They are described as follows:

1) [redacted] white male [redacted]  
[redacted]

2) (FNU) [redacted] white male. [redacted]  
[redacted]

3) (FNU) [redacted] white male, [redacted]  
[redacted]

[redacted] and [redacted] indicated that they wanted to join the NRP. [redacted] was reluctant about joining. MADOLE said that he would accept [redacted] and [redacted]. They have never been observed at prior NRP Meetings.

The statement was made that the NYA should join their forces with the NRP for the purpose of forming one fighting force. MADOLE showed enthusiasm for this proposition, but no further discussion was made, and no positive steps were taken toward any sort of coalition.

[redacted] broke his finger or wrist during a fistfight at a Black Panther rally the previous Wednesday.

Discussion was given to NRP pamphlet distribution. The area of Franklin High School, 179th Street, Queens, was mentioned. It was decided that MADOLE and MOSTACCIO would "scout" this area to see if it had productive possibilities before actually distributing NRP literature there.

The NYA members who were present talked about a "counterdemonstration" by their group on 2/23/70 against a "Chicago Seven" rally sponsored by the Veterans for Peace in Vietnam.

A rally on Monday, 2/23/70, was attended by about 3,800 people backing the Veterans for Peace in Vietnam formed in the afternoon at the vicinity of the New York Public Library, 41st St., and 5th Avenue. Thirty-six to thirty-eight NYA members set up a counter-picket across the street. They carried signs indicating their support for (Judge) HOFFMAN and the convictions of the defendants. MOSTACCIO was the only NRP member who appeared and he left shortly after the demonstration started.

JAMES MADOLE stated the NRP literature (bulletins, pamphlets, etc.) are being typed by a woman, first name unknown, named

On March 15, 1970, the National Renaissance Party (NRP) held a meeting at the residence of JAMES MADOLE, 10 West 90th St., N.Y. City, N.Y. This meeting began at 4:30 pm and ended at approximately 9:45 pm. A total of 15 people were present. JAMES MADOLE led the group discussions which were, as usual, anti-Semitic and anti-communistic in nature.

LOUIS MOSTACCIO gave a speech on integrity directed at the SE men to be sworn in on March 22, 1970.

The meeting was marked by an appearance of a white female, 60 years of age, 5 feet 4 inches, of Russian ancestry. She identified herself as a Mrs. LERMOLO and said she was with a group known as the "Saint George Association for Relief of the Former Victims of Communist Terror, Inc.," 315 W. 102nd St., NY City, telephone number 866-4237. She requested NRP participation in an anti-communist program to be sponsored by her organization on April 12, 1970 at the Main Auditorium of Hunter College, 68th and Lexington, NY City, beginning at 2:30 pm. This program will end with a march by all present from Hunter College to the Soviet Union's location on 67th St. between Lexington and Third Avenues. She also requested that the NRP bring the anti-communist Cuban individuals along with the NRP.

It was generally agreed that the NRP would participate in this program, wearing their uniforms and carrying NRP flags and posters.

It was also mentioned that on Thursday evening, March 19, 1970, [redacted] (FNU) [redacted] (FNU) [redacted] and JOHN CHARLEBOIS will meet at [redacted] house for the purpose of building new signs and posters.

On Saturday, March 21, 1970, the NRP will distribute its literature in the vicinity of the State Department Building, 45th & 1st Ave., NY City from 12 noon to 1pm, and then move to Rockefeller Center on 5th Ave. from 1:30 to 2:30 pm.

MADOLE'S CURRENT ACTIVITIES

Madole talks about setting up branches of NRP in several cities, notably in Chicago. Here he looks to [ ] to set it up. In Baltimore he claims that [ ] is already functioning as [ ] there. [ ] instead of joining him, has gone back to Field and become [ ] in Baltimore. On the Coast, [ ] functions as suits his convenience, either as the representative of NRP or as [ ] Sons of Liberty. This he ordinarily uses for his literature sales. Setting up a branch of NRP really does not mean very much, because all that it does is give a little more status to the local leader. The outfit is only as active as he chooses to make it. Also, he follows Madole's directives only as much as he chooses. If, for example, he dislikes the satanic mumbo-jumbo, he doesn't use it. If he thinks the stormtroop insignia nonsense, he ignores it. He must, however, push Madole's literature. But then he could do this anyway. Madole sees the importance of giving his boys something to do. But this is something he cannot well do at a distance. Incidentally, this is the ingredient lacking in most neo-fascist outfits: the leaders have not enough exciting things to do to keep the boys dedicated and busy. For example, [ ] is running into difficulties in his efforts to expand his Rockwell group. He is following [ ] advice, and has told the boys to drop their uniforms. This has already cost him members. Madole understands this, and lets the boys wear all the trappings they choose -- provided they not break the state law against appearing on the street in uniforms.

[ ] late March meeting in Arlington was a fiasco, partly because the school board withdrew the hall when [ ] proposed to exclude Jews and Negroes. But [ ] failed to inform of the cancellation. Several of the hundred out-of-towners he invited turned up in Arlington, and now are resentful of [ ]

Madole, in contrast, is punctilious about his dates. He makes it a point to keep in touch with his members and to get them in for meetings at his place at least every two weeks. Also, he always has some chore, such as distributing pamphlets or picketing, that is open for them to do. For example, currently he plans to picket the anti-Smith Rhodesia demonstration at the UN. Also, he plans to distribute literature at the auto show, and -- if he can find some outfit to put up the money -- to picket the anti-pollution groups who are planning to appear there. Madole admits that his boys -- but, he claims, not at his instigation -- smashed windows in the Patriot's office. This is probably true, because Madole tries to stop short of actual physical violence and inciting the police. He advises his boys to stay clear of the Panthers for the same reasons.

Madole has no plans for campus activities. He notes that the YAF office on 42nd Street shows some activity, but keeps out of the way of those college boys. He sees no signs of NYA. [ ] is beginning to revive the Long Island Youth for Wallace groups.

b6  
b7C

Madole shows firmness in dealing with individual member problems. He kicks out pot users the moment he spots them. [ ] was the last to go. He is more tolerant of psychos. For example, he lets Mustaccio stay on although he has outbursts of rage against nothing in particular every two or three weeks. Minor police offenses of members do not worry him. For example, he had planned to induct five new members last night at the big Sunday night meetings he holds at his place. But only three of the applicants turned up. The fourth had just landed in jail, and the fifth just failed to show. This does not disturb Madole. He will induct them later. Madole welcomes all ages. For example, two of the new applicants are in their fifties, and two others are 19.

Literature previously distributed by the NRP in New York City described the SE as the militant fighting arm of the NRP.

NY 105-6112

C. Objectives

Source advised that, in part, the January, 1968 edition of "National Renaissance Bulletin" reflects the objectives of the NRP. This bulletin, as applicable to NRP objectives, contains a statement by JAMES H. MADOLE which reads as follows:

"It is my intation to organize the American public into a potent force representing the interests of the white race in the United States... Now that our right to be able to assemble has been enforced by the courts, I intend to hold at least one mass rally each month. I further intend to distribute both through the mail and on the public streets at least 5,000 announcements to each rally. These fliers will also be recruiting leaflets so that recipients may fill out coupons to either join the party or its militant fighting arm, the Security Echelon."

NY T-1  
April 16, 1970

D. Membership

No application form need be filled out for membership in the NRP. However, a new member will undergo a three-month probationary period following his initial entrance into the NRP. During this probationary period it is expected that the new member attend all demonstrations, pickets, literature distributions and other activities of the NRP. If a new member proves to be acceptable during this probationary period, he will be then sworn in as a member of the SE. Following this swearing in ceremony the new member will be furnished with an NRP membership card.

NY 105-6112

At the present time, there are approximately 15 to 20 active members of the NRP in the New York City area.

## II. ACTIVITIES

### A. Meetings

The NRP currently holds its general meetings on Sunday evenings at the residence of JAMES H. MADOLE, Apartment 8, 10 West 90th Street, New York City. The purpose of these meetings is to indoctrinate the newer members with the basic precepts of the NRP. Speeches are usually given by MADOLE which advocate anti-Semitic, anti-Negro, and neo-fascist lines.

These meetings also serve the purpose of informing all members present of future plans for NRP activities such as counter-demonstrations and literature distributions.

If a meeting of officers of the NRP is deemed necessary, a meeting is usually held on Thursday evening at the same location.

### B. White Power Conference

The NRP held a "White Collar Conference" on April 18, 1969, from 7 to 10 p.m., at Public School 169, 113 East 87th Street, New York, New York. Approximately 105 persons were in attendance at this conference, including about 25 hecklers. JAMES MADOLE gave a speech which was particularly anti-Semitic, anti-Negro, and anti-Communist.

NY 105-6112

Other speeches were also given which emphasized the theme that trouble in New York City is caused by Communists and Negroes. It was further mentioned that Communists are taking over and overthrowing the United States Government.

NY T-1  
April 22, 1969

C. Picket Lines and  
Counter-Demonstrations

On May 1, 1969, the New York District Communist Party, United States of America, sponsored a "May Day Rally" at Union Square in New York City. The NRP sponsored a counter-demonstration to this rally and organized a picket line in the immediate vicinity of the New York District Communist Party.

Special Agents (SAs) of the Federal Bureau of Investigation (FBI) observed 12 NRP demonstrators carrying signs and banners, some of which bore the following inscriptions:

"Brotherhood is a Jew plot to destroy  
the white race."

"GIs die while Jews get rich"

"Red Jews are behind Nigger riots"

"Smash the black revolt with white power"

NY 105-6112

Other speeches were also given which emphasized the theme that trouble in New York City is caused by Communists and Negroes. It was further mentioned that Communists are taking over and overthrowing the United States Government.

C. Picket Lines and  
Counter-Demonstrations

On May 1, 1969, the New York District Communist Party, United States of America, sponsored a "May Day Rally" at Union Square in New York City. The NRP sponsored a counter-demonstration to this rally and organized a picket line in the immediate vicinity of the New York District Communist Party.

Special Agents (SAs) of the Federal Bureau of Investigation (FBI) observed 12 NRP demonstrators carrying signs and banners, some of which bore the following inscriptions:

"Brotherhood is a Jew plot to destroy  
the white race."

"GIs die while Jews get rich"

"Red Jews are behind Nigger riots"

"Smash the black revolt with white power"

NY 105-6112

The "New York Daily News", a newspaper published on a daily basis in New York City, contained an article in its June 2, 1969 edition which described a Jewish parade on Fifth Avenue in New York City on June 1, 1969. This parade was known as the "Fifth Annual Salute to Israel Parade".

This article went on to state that the marchers in this parade were heckled by members of the NRP, a neo-Nazi group. It mentioned that about a dozen members of the NRP picketed behind police barricades at 60th Street and Fifth Avenue. They carried a large red flag decorated with a black thunderbolt on a circular field of white.

On June 2, 1969, SAS of the FBI observed a mass public meeting held at Manhattan Center, 311 West 34th Street, New York, New York, under the sponsorship of the Fifth Avenue Vietnam Peace Parade Committee (FAVPPC), a New York City anti-war co-ordinating committee. Prior to the meeting the NRP held a picket line demonstration across the street from the Manhattan Center, consisting of approximately 15 individuals waving Nazi flags. This counter-demonstration began at 7:15 p.m. and ended at 8:30 p.m.

On June 21, 1969, the NRP set up a picket line across the street from a bookstore located at 42nd Street and Broadway, to protest the selling of pornographic literature. Eleven NRP members marched in the line and three members watched from across the street. After this picket line broke up all the NRP members went back to MADOLE's apartment where MADOLE congratulated them for their performance.

On June 25, 1969, a protest meeting against the Anti-Ballistic Missile system was held at the Felt Forum, Madison Square Garden, New York, New York. Various peace organizations in the New York City area attended this meeting.

A Special Agent (SA) of the FBI observed a counter-demonstration to this protest meeting held by the NRP on the West Side of 8th Avenue, opposite Felt Forum, Madison Square Garden. Eight NRP members attended this counter-demonstration.

On August 9, 1969, a peace demonstration-march began at 41st Street in New York City. The demonstrators marched past Times Square in New York City, where a counter-demonstration was observed by FBI personnel as being held in the vicinity of the Armed Forces Recruiting Station. This counter-demonstration was sponsored by the NRP and about ten individuals were participating. They carried signs reading as follows:

"Bomb Tel Aviv"

"White Collar"

"Kill Red Peace Creeps"

"Jews Must Go"

On December 9, 1969, SAS of the FBI observed ten NRP members convene at the Southwest corner of Park Avenue and 51st Street, New York, New York. These NRP members established a picket line at that location for the purpose of staging a counter-demonstration to a group of about 3,000 individuals engaged in anti-war demonstration in the same vicinity. The NRP marched in an orderly fashion carrying signs. Some of these signs read as follows:

NY 105-6112

"Racial Purity is American Security"

"Karl Marx Was a Jew"

"American Power Not Jew Power"

On March 12, 1970, SAS of the FBI observed a picket line being held by the NRP in front of the main Post Office, 8th Avenue and 33rd Street, New York City. Approximately 12 persons participated in this NRP picket line and carried an American flag, two thunderbolt flags and the following signs:

"America for Whites"

"America First"

"American Power Not Jew Power"

"Keep GIs Out of the Middle East"

On April 12, 1970, FBI personnel observed the NRP participate in a demonstration against the Soviet Mission to the United Nations located at 67th Street, between Lexington and Third Avenues. The NRP established a picket line at the southwest corner of 67th Street and Lexington Avenue. Approximately ten NRP members participated and they carried signs which were anti-Soviet Union, anti-Jewish, and anti-Communist in nature.

D. Literature Distribution

JAMES H. MADOLE usually does not participate in the picket lines at various NRP counter-demonstrations. Instead, MADOLE stands at the head of NRP's picket line and passes out NRP literature to bystanders and other people passing by.

NY T-1  
April 1, 1970

On April 4, 1970, the NRP distributed its literature at the entrance to the New York Coliseum, Columbus Circle, New York, New York. An auto show was being conducted at the New York Coliseum at that time and numerous people were in attendance. In the space of one hour approximately ten members of the NRP passed out about 4,000 pieces of NRP literature to people in the immediate area.

Two members of the NRP who reside in the Hicksville, Long Island, New York area have been sporadically distributing literature at shopping center parking lots in the Hicksville area.

MADOLE, over the past few months, has not been giving any speeches to outside groups. However, MADOLE

is currently attempting to gain access to public speaking auditoriums in the Hicksville area of Long Island and the Yorkville area of Manhattan for the purpose of giving speeches promoting NRP activity.

F. Other NRP Chapter  
Activities

Source advised that at the present time, MADOLE is attempting to organize the creation of NRP chapters in cities throughout the United States. He is currently preparing literature on NRP stationery for the purpose of advertising the program of the NRP. This literature is to be mailed throughout the United States to individuals who may be interested in starting their own NRP chapter. MADOLE plans to remain as the National Director of the NRP and maintain NRP Headquarters in New York City.

NY T-1  
April 16, 1970

III. FINANCES

The major portion of income for the NRP comes from contributions from people receiving NRP literature.

As a further source of income, all members of the NRP who are gainfully employed are required to pay \$5 per month dues, and all members not employed pay \$1.00 per month dues.

#### IV. PUBLICATIONS

The "National Renaissance Bulletin" remains as the major publication of the NRP. This bulletin does not come out on a regular basis but is generally published about every three months. It is then mailed to all those on the NRP mailing list throughout the country.

The NRP currently has a mailing list which numbers about 4,000 people. MADOLE maintains this list at his residence, in the form of a series of three inch by five inch cards.

MADOLE has recently given [redacted] the task of arranging for the NRP to obtain a mimeograph machine for the purpose of running off NRP bulletins and other literature. To the present date, [redacted] has not obtained any machine.

Sources furnished a copy of a throw-away which was obtained at a NRP meeting on April 5, 1970. This throw-away was being distributed by the NRP in the New York City area at its recent activities. In part this throw-away contained statements as follows:

"Anarchy, nihilism and Bolshevism are Jewish weapons to sabotage and destroy everything that is not Jewish."

NY 105-6112

"Jews are aware of their own vile, dirty, base and filthy low nature and that they suffer from that complex and they bring everyone else down to their sick level--hippies, yippies, creeps... encouraging others to dress like slobs and be dirty and revolting."

"Jews are moving towards a world government (one world) through the United Nations with the capitol to be in Israel."

"The Jews are the greatest threat to the world!"

NATIONAL RENAISSANCE PARTY

On April 1, 1969, a source advised that the National Renaissance Party (NRP) was founded in 1949 by JAMES H. MADOLE, who continues to serve as its National Director and who completely controls the organization. The source advised that the NRP is headquartered in MADOLE's residence at 10 West 90th Street, New York, New York, where weekly meetings and social gatherings are held.

The source described the NRP as an anti-Negro, anti-Semitic, and neo-Fascist organization.

This source stated on July 28, 1966, that the program of the NRP, formulated in 1965, is aimed at the establishment of a "Racial Nationalist State" to be accomplished by calling a Constitutional Convention to ratify necessary amendments to the United States Constitution in order to carry out the NRP program. The source advised that as of April 1, 1969, the NRP program remains in effect and includes intentions to enact legislation to prohibit intermarriage between races, restrict American citizenship to mentally and genetically sound Caucasians, and hasten the repatriation of American Negroes to independent black African nations.

SUBJECT:

NATIONAL RENAISSANCE PARTY

CHARACTERIZATION OF SUBVERSIVE, RACIAL,  
KLAN, WHITE HATE, AND MILITANT BLACK  
ORGANIZATIONS

THE DEADLINE FOR THIS PROJECT IS MAY 20, 1970

Pursuant to instructions set forth in Part II, Section 4, pages 21-23, of the Manual of Rules and Regulations, the NYO must submit annually by June 1st certain information concerning the characterization of organizations.

The above-captioned organization is among those organizations on which a characterization has previously been submitted and should be brought up to date, or one on which a characterization should be submitted.

SA [REDACTED] #45 is assigned to review the existing characterization on captioned organization to determine if the characterization is current, or to review the case file and prepare an original characterization where none exists.

All characterizations should be rewritten to reflect current status of the organization and should be clear and concise. They should reflect date organization formed; its aims and purposes; subversive initiation, domination, or control; and current status. In those instances in which the nature of the organization has changed from legitimate to subversive or vice versa, such changes should be clearly shown, together with the dates thereof. Information in the characterization should be attributed to "a source" and no "T" symbols nor evaluation of the sources should be reflected in the characterization. The identity and evaluation of the sources used should be reflected at the end of the characterization under the heading "Sources", with sufficient spacing to indicate it is not part of the characterization.

Characterizations of organizations will fall in one of the following categories:

- (A) Organizations which have become defunct since June 1, 1969.
- (B) Newly formed organizations on which cases are pending and concerning which insufficient information exists as yet to prepare a characterization.
- (C) All active organizations on which characterizations are being submitted for approval.

If the case you are reviewing for this project falls in Category "A", merely submit a memorandum for file, with a copy for the subversive organization file (100-90311), reflecting Bureau file and date characterization submitted to Bureau reflecting organization is defunct. If the organization is newly formed, submit a memorandum for file with a copy for the subversive organization file (100-90311) reflecting Bureau file and a statement reflecting information set out in Category "B". These memoranda should be forwarded to SA [redacted] Section 44.

b6  
b7C

If the organization falls within Category "C", then prepare an up-to-date characterization, except in those cases where a current characterization has been submitted since April 1, 1970. In the latter case, merely submit a memorandum as above, reflecting date characterization submitted and Bureau file number.

Pursuant to current Bureau instructions the up-to-date characterization must be submitted to the Bureau on letterhead stationery which should be prepared as follows:

The copies to the Bureau will consist of the original and one copy. The copy should consist of only the first page of the letterhead memorandum. If approved, the Bureau will stamp "Approved" on the single-page copy and return it to the NYO.

At the time that you have the letterhead memorandum prepared, also have a 5 X 8 card typed reflecting the name of the organization at the upper left, Agent's name at top center, and the NY file number at upper right. Then have the characterization, identity and evaluation of sources typed on the remainder of the card. Have your supervisor initial the card at lower left corner at the same time he initials the letterhead memorandum for transmittal to the Bureau. The letterhead memorandum, with card attached, should be forwarded to SA [redacted] Section 44, and the letterhead memorandum will then be transmitted to the Bureau by means of a cover letter. The card will be retained by SA [redacted] pending Bureau approval of the characterization.

NOTE  
↓  
Because of the many times each of these characterizations will be reproduced, you are urged to be as brief as possible. Try to get all the necessary information in one short paragraph using one source if possible, rather than several sources. It may be necessary to prepare a new characterization and have it authenticated by an informant. The Bureau has advised that a characterization should be no longer than one page and recent characterizations sent to the Bureau which have been longer than one page have not been approved.

Remember NOT TO DATE the letterhead to the Bureau and submit all memoranda to SA [redacted] SECTION 44,

1.

NATIONAL RENAISSANCE PARTY

On April 1, 1969, a source advised that the National Renaissance Party (NRP) was founded in 1949 by JAMES H. MADOLE, who continues to serve as its National Director and who completely controls the organization. The source advised that the NRP is headquartered in MADOLE's residence at 10 West 90th Street, New York, New York, where weekly meetings and social gatherings are held.

The source described the NRP as an anti-Negro, anti-Semitic, and neo-Fascist organization.

This source stated on July 28, 1966, that the program of the NRP, formulated in 1965, is aimed at the establishment of a "Racial Nationalist State" to be accomplished by calling a Constitutional Convention to ratify necessary amendments to the United States Constitution in order to carry out the NRP program. The source advised that as of April 1, 1969, the NRP program remains in effect and includes intentions to enact legislation to prohibit intermarriage between races, restrict American citizenship to mentally and genetically sound Caucasians, and hasten the repatriation of American Negroes to independent black African nations.

Security Matter - C

On May 4, 1970, a confidential source, advised that the New York Committee for May Day 1970, which was sponsored by the New York District Communist Party (NYDCP), held a parade and rally in New York City on May 1, 1970, from 5:00 PM to 7:00 PM.

Special Agents (SAs) of the Federal Bureau of Investigation (FBI) observed the parade participants assemble at West 38th Street and Eighth Avenue, New York City (NYC). At 5:00 PM, this parade proceeded to march by sidewalk east on West 38th Street to Broadway, south on Broadway to 17th Street, thence into the north end of Union Square park where the May Day rally was already underway. There were one hundred and ten participants in the parade, led by Jose Ristorucci. Placards carried by the participants read: "Free Bobby Seale", "Free the Panther 21", and "Free All Political Prisoners Now".

In April, 1970, a second confidential source identified Jose Ristorucci as Chairman of the New York County Communist Party (NYCCP), and a member of the NYDCP Board and Committee.

A characterization of the Black Panther Party (BPP) is contained in the Appendix. A characterization of Bobby Seale is included in the BPP characterization.

SAS of the FBI observed the rally to begin at 5:00 PM in Union Square park. The co-masters of ceremonies were Donna Ristorucci and Jose Stevens.

In April, 1970, the second confidential source identified Donna Ristorucci and Jose Stevens as members of the NYDCP Committee.

The first speaker was introduced as Nathan Solomon from the Freedom and Peace Party. He asked for the support of the Black Panthers in New Haven, and suggested that all of the Left get together and form a coalition instead of each group demonstrating separately. Solomon criticized the "Nixon policy" both at home and abroad, and called for the United States to get out of Vietnam and Cambodia and bring the troops home.

A third confidential source advised in 1946, that Nat Solomon was a member of the CP in NYC.

The next speaker was Yashua Ben Levi, also known as Jim Tucker. He was introduced as a rank and file member of the International Ladies Garment Workers Union (ILGWU), which union he criticized as being racist. He criticized the space program, saying that the money could be better used in improving living and working conditions in this country. He called for the black people to organize, that they still have no rights, and criticized the treatment of the Black Panthers by the police.

In October, 1968, a fourth confidential source advised that Tucker was a member of the 17th A.D. Club, Kings County Communist Party as of September 25, 1968.

Reverend Frederick Douglas Kirkpatrick, a folksinging guitarist, then sang a few songs including, "Stop the fires of Napalm".

The next speaker, Louis Weinstock, was introduced as "Mr. May Day". He sent greetings to the New Haven demonstrators, and expressed anger at President Nixon's speech of the previous night. He called the President "a liar, traitor, and war criminal". He stated that Nixon and Vice-President Agnew belong with the National Renaissance Party (NRP) which was then counter-demonstrating across the street. He asked those present to work for peace and socialism.

In April, 1970, the second confidential source identified Louis Weinstock as a member of the National Committee, CP, USA.

A characterization of the NRP is included in the appendix.

Jose Stevens was the next speaker. He was introduced as the Chairman of the Harlem Section Communist Party of New York. He asserted that the United States has initiated an expanding war in Cambodia - that it cannot win in Vietnam or in Southeast Asia. He said that United States imperialism continues to support Israeli imperialism and to oppress the black community, but that the working class is regrouping and beginning to fight. He said that the CP with its liberation movement will finally win out because the young people see the need for Marxism - Leninism and are able to express this through the Young Workers Liberation League (YWLL).

A fifth confidential source advised on March 6, 1970, that the Founding Convention for a new Marxist-Leninist Youth Organization was held February 7 through 9, 1970, in Chicago. This Convention was sponsored by the CP, USA and formally adopted the name Young Workers Liberation League (YWLL).

The next speaker, Maria Sanchez, was introduced as a rank and file member of the ILGWU. She called for her union to demand that the government remove all troops from Vietnam, and use those billions of dollars for housing and education at home.

The next speaker, Rasheed Storey, was introduced as the Chairman of the New York State Communist Party, active in the revolutionary movement, and in Ocean Hill and Bedford-Stuyvesant.

Storey declared his belief that American people are sick and tired of our Asian policy, and he thought American domestic policy is also wrong - that the policies of the Nixon Administration are dictated by weakness. He said that the decision to send troops into Cambodia is based on weakness. He said there is a need for unity on the Left, and asserted that "we" are on the brink of a giant breakthrough as shown by the rally in New Haven. He called for getting out of Southeast Asia, and for development of new perspectives, with a rank-and-file movement in every industry.

In April, 1970, the second confidential source identified Rasheed Storey as Chairman of the New York District CP, and a member of the National Committee, CP, USA.

The next speaker, Jesse Gray, was introduced as a Harlem tenant leader and candidate for United States Congressman from Harlem. He stated that the nation is ruled by the Pentagon, and that just as the Black Panthers are oppressed, so are the workers. He called for a program to renew the confidence of youth in the Left movement, and stated, "we must take power into our hands".

In November, 1958, a sixth confidential source advised that Jesse Gray, who had been the Organizer of the Harlem Region CP, terminated this position in November, 1958.

The next speaker, Pauline Rosen, was introduced as an active lady in the fight against the war in Vietnam. She

was critical of Nixon's decision to send troops into Cambodia, asserting that this is not the desire of the American people. She called it an effort by the United States to take over all of Indo-China. She urged her listeners to contact their Congressmen and call upon them to institute impeachment proceedings against President Nixon. Rosen announced that the New Mobe (New Mobilization Committee to End the War in Vietnam) plans a demonstration in Washington, D.C. on Saturday, May 9, which will urge the United States to get out of Indo-China. She announced that buses will leave at 6:00 AM on Saturday from Union Square, NYC.

In April, 1970, the second confidential source identified Pauline Rosen as a member of the NYDCP Board and Committee.

The last speaker was Roque Ristorucci introduced as being a member of the YWLL. He spoke in both English and Spanish. He called President Nixon's policies criminal, and called for the withdrawal of United States troops from Southeast Asia. He asserted that the YWLL is dedicated to building a mass movement for peace.

In April, 1970, the second confidential source identified Roque Ristorucci as a member of the NYDCP Committee.

The Reverend Kirkpatrick sang a concluding song and the rally ended at 7:00 PM, which was the time limit of the permit. No incidents were observed. Approximately 500 to 600 persons participated in the rally. It was predominantly an elderly group which seemed to be more interested in socializing than in listening to the speakers.

An upright American flag was displayed on the speakers platform. Above the platform was a large banner which read "May Day 1970 Peace - Jobs - Freedom". Also, the following signs were displayed around the speakers platform:

"Organize the Unorgnized"; "\$150 minimum wage"; "Hands off the Panthers"; "Fight Racism for Working Class Power";

"End U.S. Oppression in Vietnam - Laos - Cambodia";  
"Stop Nixon's War Now"; "For Puerto Rican Independence".

A counter-demonstrating group of twelve to twenty individuals under the banner of the NRP marched within a barricaded area on the north side of 17th Street near Broadway.

In regards to the May Day rally and parade, articles appeared in the "Daily World" on various dates.

The "Daily World" is an east coast communist daily newspaper.

The following article appeared in the "Daily World" issue of April 30, 1970, page three:

"May Day, the international labor holiday, will be celebrated with big parades and rallies throughout the whole socialist world, in many of the emerging nations of Asia and Africa and in colonial and capitalist countries.

"May Day, born in American labor's struggle for the eight-hour day in the 19th century, has been adopted by working class movements throughout the world as a day of celebration and struggle.

"In New York, the Committee for May Day, 1970, called for a mass turnout Friday to demonstrate against increasing repression.

"We see the defense of victims of repression as the major theme of our rally this year', it said.

"May Day arose out of the Haymarket incident in 1886 where Chicago workers were brutally attacked by agent provocateurs and police and, as a result, hundreds framed, jailed and killed. May Day this year is taking place in the midst of a renewed repressive attack by U.S. capitalism on the Black liberation, labor and peace movements.

"The celebration of May Day in New York will be part of the protest against the attempt to destroy the Black Panther Party and the planned murder of Bobby Seale in New Haven. We call upon all participants in this May Day to go to New Haven on May 2".

"In the tradition of the 15,000 workers who gathered at Union Square in 1886 demanding the eight hour day, the May Day Committee will have its rally there at 5:00 p.m. this Friday. A parade to Union Square will assemble at 38th Street and 8th Avenue at 4:45 p.m."

The late edition, New York "Post" issue of May 4, 1970, page 70, contained an article captioned "Court Seals Cops' Protest Films" by CHARLES DE LA FUENTE. This article reads as follows:

"Films and TV tapes made by the Police Dept. at a May Day rally in Union Square will be impounded by a federal judge tomorrow as court hearings begin on the department's right to keep photographic records of such demonstrations.

"The order impounding the films was won last Friday - the day of the rally - by the New York Civil Liberties Union, which hopes to make the May Day filming a test case in its effort to halt such police record-keeping.

"Police here began using last year a closed-circuit TV system to enable commanders at Police Headquarters to monitor demonstrations and make snap judgments on moving more men in if trouble erupted. The TV hookup can also be used to make permanent videotapes of the scenes being relayed back to headquarters - a practice the NYCLU calls an unconstitutional invasion of privacy.

A Puzzle

"Burt Neuborne, the NYCLU staff counsel who filed the suit to have the photographic records destroyed and to block additional pictures from going into police files, said today it was unclear whether permanent videotapes were made of Friday's rally, or whether the early evening events were just screened by police brass.

"The Police Dept. had no immediate comment.

"Neuborne said he believed the equipment to make permanent videotapes may have been "turned off" after the department got wind of the legal challenge to its activities - which was filed in midrent to the excercies of rights morning in Federal District Court in Manhattan.

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

New York Committee  
For May Day 1970

"The NYCLU had sought an injunction against the making of permanent records, but by the time Judge Charles H. Tenney signed the order the rally was under way.

"Neuborne said one police official told him it was departmental practice to make records of all demonstrations in the five boroughs, but another said the permanent taping equipment was turned on only when demonstrations became disorderly.

"What outrages me', he said today, 'is that this permanent stuff . . . becomes part of the (police) records' and any participant caught in the camera's lens goes into a police file.

"He said such 'big brother activities . . . are a substantial interference with Constitutional rights . . . of individuals to privacy and anonymity and are a deterrent to the exercise of rights protected by the First Amendment'.

"Whether or not tapes of Friday's demonstration exist, the NYCLU will press in court tomorrow for a permanent injunction against the use of the close-circuit TV cameras to make the video-tapes.

"The suit grew out of a complaint to the union by Myles Weintraub, a Cornell University School of Architecture official who said Telephone Co. lines were installed without his permission in his office at 200 Park Av. S. overlooking Union Square \_ to carry the pictures to Police Headquarters."

All of the confidential sources mentioned in this letter have furnished reliable information in the past.

BLACK PANTHER PARTY

Also Known As

Black Panther Party for Self-Defense

According to its official newspaper, the Black Panther Party (BPP) was started during December, 1966, in Oakland, California, to organize black people so they can take control of the life, politics and the destiny of the black community. It was organized by BOBBY SEALE, BPP Chairman, and HUEY P. NEWTON, BPP Minister of Defense, NEWTON was sentenced in 1968 to serve 2 to 15 years after being convicted of manslaughter in connection with the killing of an Oakland police officer.

The official newspaper, "The Black Panther", which further describes itself as the "Black Community News Service", states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to in the publication as "pigs" who should be killed.

"The Black Panther" issue of September 7, 1968, contains an editorial by BPP Minister of Education, GEORGE MASON MURRAY, which ends with the following:

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is a revolutionary culture. Change. Freedom everywhere. Dynamite! Black Power. Use the gun. Kill the pigs everywhere."

Included in the introduction to an article appearing in the October 5, 1968, edition of "The Black Panther" is the statement, "...we will not dissent from American Government. We will overthrow it."

Issues of "The Black Panther" regularly contain quotations from the writings of Chairman MAO Tse-tung of the People's Republic of China and feature MAO's statement that "political power grows out of the barrel of a gun."

The national headquarters of the BPP is located at 3106 Shattuck Avenue, Berkeley, California. Branches have been established at various locations throughout the United States.

On 5/22/70, Russo attended a meeting of the "Silent Majority" in NY, NY and at that time picked up a "hand out" regarding the NRP. The hand out stated that additional info re the NRP could be obtained by sending three dollars to the NRP, Post Office box number 10, NY, NY 10024.

Russo stated that she subsequently sent three dollars to the NRP for additional info and after reviewing the info that she received, she realized that the NRP was actually a NAZI type organization that she did not care to have any further association with.

Together with the literature that she received from the NRP, Russo stated that she also received a "letter of introduction" which was needed in order to attend the the "combination planning and organization" re an open air street rally on 6/6/70. The meeting was to take place at 6pm on 5/31/70 at 10 W. 90 St., NY, NY. The letter was signed by JAMES H. MADOLE, National Director, NRP.

Activity: National Renaissance Party (NRP) meeting, 10 West 90th Street, New York City, 5/10/70.

The NRP meeting was held at NRP Headquarters on 5/10/70, and was attended by:

James Madole  
His mother Grace Madole

First name unknown [redacted]

[redacted]  
Louis Mostaccio

[redacted]  
Dave O'Donnell  
John Charlobois

[redacted]  
A white female with her four month old baby also attended the meeting. She used the name [redacted] and appeared as though she was a "junkie" on "speed". The NRP is discouraging her from coming to future meetings.

During the meeting, the NRP members discussed the attack on [redacted] and Louis Mostaccio. [redacted] told the group that, although members of the NRP had been injured as a result of their being attacked by members of the Jewish Defense League (JDL) on 5/3/70, the best possible thing for the NRP members to do would be to refrain from any type of retaliation and allow the police to handle the matter. [redacted] told the group that he was to go to the 24th Precinct to identify photographs in an effort to identify the persons who attacked him.

It was decided that, in view of their having observed some of the person from the JDL who had attacked the NRP members, that [redacted] and [redacted] would also go to the 24th Precinct to identify photographs of the attackers.

It was agreed that [redacted] and [redacted] would go to an upstate residence of [redacted] on 5/17/70, where they would hold training in emergency first aid.

During the course of the meeting, [redacted] was sworn in as [redacted] and Charlobois was sworn as a member of the SE.

When the meeting broke up, (FNU) [redacted] left by himself and was walking east on West 90th Street toward Central Park West where he observed some members of the JDL in Central Park. He ran back to NRP Headquarters and [redacted] called the 24th Precinct and requested that they send a patrol car to the area to assure the safety of the NRP members. After the call, it appeared that a number of patrol cars were in the general area. No incidents occurred.

[redacted] told his mother that the injuries he sustained on 5/3/70, were the result of his having been in a fight with his motorcycle gang. [redacted] is a white male, [redacted]  
[redacted]

Because of the physical condition of [redacted], he was driven to the meeting by [redacted] who took [redacted] and several others home in his car after the meeting.

National Renaissance Party (NRP)  
Racial Matter - Organization

On June 8, 1970, a source, who has furnished reliable information in the past, advised that the National Renaissance Party (NRP) held a street rally on June 6, 1970, at Second Avenue between 83rd Street and 84th Street, New York, New York. This rally commenced at approximately 6:45 P.M. and ended at 8:30 P.M.

A characterization of the NRP appears in the Appendix attached hereto.

This source stated that at 6:45 P.M. on the above date, fifteen members of the NRP convened on Second Avenue between 83rd and 84th Street where they erected a speaker's platform on the top of NRP member [redacted] station wagon. A public address system was also set up and speeches by NRP members began. Those NRP members speaking were James Madole, the founder and leader of the NRP, and Louis Mostaccio, Bruce Itiner, and Dave Kerr. Source advised that all speeches were basically anti-Jewish and anti-Negro in nature. Other NRP members present stood around the base of the speaker's platform. One United States flag and two NRP flags, each carrying the insignia of the NRP symbol of a thunderbolt, were carried. Those members present also wore NRP armbands, which also bore the thunderbolt insignia.

b6  
b7C

This source further advised that at approximately 7:15 P.M. the public address system became defective and unable to be used by the speakers. This caused the street rally to be discontinued at a time earlier than anticipated.

Source further advised that during the course of this street rally, a group of approximately 300 people convened on the side of the street opposite the NRP speaker's platform. Most of these people observing the street rally heckled and jeered at the NRP members present. The New York City Police Department (NYCPD) had erected barricades around the speaker's platform for the purpose of preventing any physical violence by the NRP and those present who opposed the NRP. Source observed that the NYCPD removed three people from the immediate area of the street rally for their attempt to disrupt the NRP proceedings.

Following the conclusion of this street rally, the NRP members present were furnished a police escort back to NRP Headquarters at the residence of James Madole, 10 West 90th Street, Apartment 8, New York, New York.

A second source advised that at approximately 8 P.M. an individual named [redacted] of [redacted] attempted to engage in physical violence with the NRP during the course of the above street rally. This individual was placed under arrest by the NYCPD and charged with "disorderly conduct". [redacted] was the only person arrested during the course of the above street rally.

NATIONAL RENAISSANCE PARTY

On April 1, 1969, a source advised that the National Renaissance Party (NRP) was founded in 1949 by JAMES H. MADOLE, who continues to serve as its National Director and who completely controls the organization. The source advised that the NRP is headquartered in MADOLE's residence at 10 West 90th Street, New York, New York, where weekly meetings and social gatherings are held.

The source described the NRP as an anti-Negro, anti-Semitic, and neo-Fascist organization.

This source stated on July 28, 1966, that the program of the NRP, formulated in 1965, is aimed at the establishment of a "Racial Nationalist State" to be accomplished by calling a Constitutional Convention to ratify necessary amendments to the United States Constitution in order to carry out the NRP program. The source advised that as of April 1, 1969, the NRP program remains in effect and includes intentions to enact legislation to prohibit intermarriage between races, restrict American citizenship to mentally and genetically sound Caucasians, and hasten the repatriation of American Negroes to independent black African nations.

On June 6, 1970, the National Renaissance Party (NRP) sponsored a street rally at Second Avenue between 83rd and 84th Streets, New York City. This rally commenced at approximately 6:45 PM and lasted until 8:30 PM. NRP members who participated are listed as follows:

JAMES MADOLE  
BOB WOODCOCK  
LOUIS MOSTACCIO  
BRUCE ITHIER  
DAVID KERR  
RAY MANCHESTER  
RICHARD BAYER  
KEVIN O'BRIEN  
CURTIS BRUEN, from Alexandria, Virginia  
RONALD TAVIS  
FRANK GOSLICK  
HARRY KRUSE  
JOHN CHARLEBOIS  
DAVID O'DONNELL  
(FNU) SELLERS

At 6:45 PM a speaker's platform was erected on the hood of BRUCE ITHIER's station wagon. A public address system was also set up and MADOLE, MOSTACCIO, ITHIER, and KERR made speeches. All of the speeches were basically anti-Semitic and anti-Negro in nature.

At about 7:15 PM, the public address system became defective and unusable. This led to the end of the street rally at an earlier time than originally anticipated. CURTIS BRUEN was scheduled to give a speech but was unable to do so because of the breakdown of the public address system.

The NRP members present, other than the speakers, stood around the speaker's platform. Three flags were flown. One was the United States flag and the other two bore the thunderbolt insignia of the NRP. Thunderbolt armbands were also worn by those present.

At the height of this street rally, a crowd of about 300 spectators gathered across the street from the speaker's platform. Most of these jeered and heckled the NRP activity. Three persons tried to engage in physical violence with the NRP members, and were removed from the area by the NY City Police Department. A set of wooden barricades had been erected by the NYCPD around the NRP speaker's platform.

No literature was distributed and no signs or posters were exhibited. Also, no picket line was formed by those present.

At the end of the rally everyone present except GOSLICK and MANCHESTER returned to NRP headquarters of MADOLE's residence, 10 West 90th St., Apt. 8, NYC. Other street rallies similiar to this one, are to be held on June 13, June 20, and June 27, 1970.

A regular NRP meeting was held on Sunday evening, June 7, 1970, at headquarters.

## ARE JEWS BEHIND AMERICA'S INTERNAL REVOLUTION?

We should like Gentile Americans to forget their vaunted tolerance of malignant racial minorities just long enough to consider the following words of wisdom from a famous European Statesman AND TO APPLY HIS WORDS TO PRESENT CONDITIONS IN THE USA:

"IN THE POLITICAL FIELD THE JEW REFUSES THE STATE THE MEANS FOR ITS SELF PRESERVATION, DESTROYS THE FOUNDATIONS OF ALL NATIONAL SELF MAINTENANCE AND DEFENSE, DESTROYS FAITH IN THE LEADERSHIP, SCOFFS AT ITS HISTORY AND PAST, AND DRAGS EVERYTHING TRULY GREAT INTO THE GUTTER...CULTURALLY HE CONTAMINATES ART, LITERATURE, THE THEATRE, MAKES A MOCKERY OF NATURAL FEELING, OVERTHROWS ALL CONCEPTS OF BEAUTY AND SUBLIMITY, OF THE NOBLE AND THE GOOD, AND INSTEAD DRAGS MEN DOWN INTO THE SPHERE OF HIS OWN BASE NATURE. RELIGION IS RIDICULED, ETHICS AND MORALITY REPRESENTED AS OUTMODED UNTIL THE LAST PROPS OF A NATION IN ITS STRUGGLE FOR EXISTENCE IN THIS WORLD HAVE FALLEN."

Consider the truth or falsity of the above statements! Who are the publishers of America's UNDERGROUND PRESS, the literary dunghills which combine the vilest forms of human degeneracy and sexual perversion with a strong dose of anti-American political indoctrination for high school and college kids? The Executive Editor of "SCREW" is the Jew, ALVIN GOLDSTEIN, the publication "KISS" is edited by the Jew, JOEL FABRICANT, while the Jews, ALLEN KATZMAN and JAAKOV KOHN, hold forth on "THE EAST VILLAGE OTHER". Study the editorial pages of such left-wing, whore-house literature as "THE BERKELEY BARB", "THE FREE PRESS", "PLEASURE" ad nauseam and you will find a stinking rat's nest of Jewish Nihilists. Who are the bearded, unwashed "Hippies" and suave pseudo-intellectuals who seek to distort Nature and sabotage America's military defense? The Jew, DAVE DELLINGER, heads the Vietnam Peace Parade Committee which sends hordes of Jewish "Beatniks" and leftist subversives down Fifth Avenue each year to encourage Ho-Chi-Minh's Red troops and stab our soldiers in the back. The membership of the notorious STUDENTS FOR A DEMOCRATIC SOCIETY (SDS) which has completely disrupted the American educational system (both at university and High School level) IS AT LEAST 75% JEWISH. Among its leaders are the Jews, MIKE KLONSKY, MARK RUDD, and LEWIS COLES. Arrested for illegal activities in behalf of SDS at Brooklyn College was the Jewess, LYNN ROSSMAN. Among those arrested with MARK RUDD for illegal trespass at Columbia University were the Jews, FRANKLIN BARAFF, MICHAEL GOLASH, and JAMES GOLDBERG (an English teacher at Columbia). The "PSYCHEDELIC REVOLUTION" which seeks to emasculate American youth through the use of hallucinogenic drugs, phoney "gurus" and distorted Oriental mysticism has been promoted by such Jews as ISAAC ABRAMS, RICHARD ALPERT, DAVID AMRAM, ALAN GINSBERG, MATI KLOHWEIN, PETER MAX, and RALPH METZNER. The chief promoter of the "PERMISSIVE SOCIETY" and champion of the anti-Natural belief that children should dominate parents and that young men should burn their draft cards and refuse to serve their country in time of war with Reds is the Jew, DR. BENJAMIN SPOCK. This phoney pacifist admitted on the LEO CRANE TV SHOW that he sent a telegram to President Johnson demanding immediate American intervention on behalf of Israel at the outbreak of the SIX DAY WAR. Leaders of the "YIPPIES" which created the bloody Chicago riot in 1968 were the repulsive Jews, ABIE HOFFMAN and JERRY RUBIN, the latter being also a leader of the BERKELEY FREE SPEECH MOVEMENT for verbal filth and obscenity.

6/3/70

Activity: National Renaissance Party (NRP) Literature Distribution, 86th Street and 3rd Avenue, New York City, 6/2/70.

Members of the NRP including Ronald Tavis, James Madole, Robert Woodcock, Bruce Ithier, Angelo Renko, Frank Carles, Louie Mostaccio, John Charlebois, David Yunack and Ray Manchester distributed approximately 5,000 pieces of NRP literature on all four corners of the intersection of 86th Street and 3rd Avenue, between 5:00 p.m. and 7:30 p.m., 6/2/70.

The literature announced that the NRP will hold street rallies on Second Avenue between 83rd and 84th Streets, New York City on 6/6, 13, 20 & 27/70, between the hours of 7:00 to 9:30 p.m. The anticipated speakers will be James Madole, Louie Mostaccio, David Kerr, Richard Bayer, Harold Kruse and Gregg Le Duc.

Approximately six persons believed to be members of the Jewish Defense League (JDL) were observing the NRP members during the literature distribution, but they did not cause any trouble. Bruce Ithier and Ray Manchester chased two of the JDL members down the street, however, no incident resulted.

Neither [redacted] nor [redacted] participated in the literature distribution. [redacted] lives a short distance and did not want to be observed by any of his neighbors passing out literature. [redacted] works as [redacted] approximately a block or so away from the point of literature distribution and, therefore, did not want to participate. They were there as bystanders to observe the other NRP members during the literature distribution.

James Madole stated that [redacted] is no longer coming to the NRP meetings. Madole stated that [redacted] has become upset over the attacks against the NRP by the JDL and does not want to participate in future NRP activities.

[redacted] and [redacted] are no longer living with [redacted] and his family.

On June 15, 1970, a source, who has furnished reliable information in the past, advised that the National Renaissance Party (NRP) held a street rally on June 13, 1970, on Second Avenue in the vicinity of 84th Street, New York City, New York. This rally began at approximately 7:30 p.m. and lasted until 9:30 p.m.

A characterization of the NRP appears in the Appendix attached hereto.

Thirteen NRP members were present at this rally and NRP members, James Madole, Gregg Le Duc, David Kerr and Louis Mastaccio were the speakers at this rally. Source advised that their remarks were primarily anti-Negro and anti-Semitic. Madole is the founder and leader of the NRP, while [redacted] is currently [redacted] of the NRP. The speakers at the rally had difficulty giving their speeches because the public address system had broken down. While the rally was taking place, two NRP members passed out NRP literature to a crowd of approximately 250 persons which had gathered to observe this NRP activity. Three other NRP members also circulated in this crowd during the course of the rally.

During the course of the rally, NRP member [redacted] observed an individual in the crowd who was involved in the assault of NRP member [redacted] on May 3, 1970. This individual then made an obscene remark to [redacted]

National Renaissance Party  
Racial Matters-Organization

On June 23, 1970, a Special Agent (SA) of the Federal Bureau of Investigation (FBI) arrived at the intersection of 5th Avenue and 34th Street, at approximately 6:45 p.m., where he observed nine National Renaissance Party (NRP) members setting up a speaker's platform and sound equipment for the purpose of having a street rally.

A characterization of the NRP  
is attached in the Appendix hereto.

This speaker's platform was being erected on the roof of NRP member Bruce Ishler's station wagon. An American flag and a flag bearing the NRP insignia of a thunderbolt was flown on each side of the speaker's platform. NRP members not engaged in the erection of the speaker's platform began to pass out NRP literature, which contained statements that Jews are behind an internal revolution in America.

At approximately 7:10 p.m., NRP founder and President James M. Wade appeared on the platform and introduced the first speaker as "David Korr, the Director of the NRP in the State of New Jersey." Korr spoke briefly on the presence of Communism in the United States and the great percentage of Jews in the Communist Party (CP).

## National Renaissance Party

The next speaker was James Madole himself. He made specific comments which were anti-New York City Mayor John Lindsay; noted that six of the "Chicago Seven" defendants were Jewish; and verbally attacked the Weathermen faction of the Students for a Democratic Society (SDS) as being primarily Jewish in membership.

A characterization of the SDS is attached in the Appendix hereto.

After this speech, Madole introduced NRP member Louis Montaccio as the next speaker. Montaccio's speech was decidedly anti-Negro. He noted the presence of Negro prostitutes on the streets of New York City and made the statement that this situation is ruining society.

Madole returned to the platform following Montaccio's speech for further anti-Semitic and anti-Negro remarks. However, this second speech by Madole was barely audible since a group of anti-NRP demonstrators, who had formed on 2nd Avenue approximately 75 feet south of the NRP platform, constantly blew whistles, played rock and roll music and made other noises in their attempt to drown out Madole's speech. Madole was heard to comment "You Jews playing nigger music are not going to stop my speech." Also, anti-NRP individuals drove by the NRP speaker's platform in cars and blew their horns in an attempt to disrupt Madole.

Madole then introduced NRP member David O'Donnell as the next speaker. He referred to O'Donnell as a "concerned young man." O'Donnell gave a short anti-Semitic speech.

This street rally began to break-up at 9:20 p.m. By 9:35 p.m., the NRP had dismantled their equipment and had left the area in the east.

On June 22, 1970, a source advised that one person was arrested during the course of the street rally. This person was a cab driver by the name of [redacted]

[redacted] Source further advised that [redacted] constantly drove his cab by the speaker's platform while blowing his horn. He was charged with "excessive sounding of his horn" by the New York City Police Department and was furnished a summons for this charge.

NATIONAL RENAISSANCE PARTY

On April 1, 1969, a source advised that the National Renaissance Party (NRP) was founded in 1949 by JAMES H. MADOLE, who continues to serve as its National Director and who completely controls the organization. The source advised that the NRP is headquartered in MADOLE's residence at 10 West 90th Street, New York, New York, where weekly meetings and social gatherings are held.

The source described the NRP as an anti-Negro, anti-Semitic, and neo-Fascist organization.

This source stated on July 28, 1966, that the program of the NRP, formulated in 1965, is aimed at the establishment of a "Racial Nationalist State" to be accomplished by calling a Constitutional Convention to ratify necessary amendments to the United States Constitution in order to carry out the NRP program. The source advised that as of April 1, 1969, the NRP program remains in effect and includes intentions to enact legislation to prohibit intermarriage between races, restrict American citizenship to mentally and genetically sound Caucasians, and hasten the repatriation of American Negroes to independent black African nations.

APPENDIX

1.

PROGRESSIVE LABOR PARTY (PLP)

The "New York Times" city edition Tuesday, April 20, 1965, Page 27, reported that a new party of "revolutionary socialism" was formally founded on April 18, 1965, under the name of the PLP, which had been known as the Progressive Labor Movement.

According to the article, "The Progressive Labor Movement was founded in 1962 by MILTON ROSEN and MORTIMER SCHEER after they were expelled from the Communist Party of the United States for assertedly following the Chinese Communist line."

A source advised on June 3, 1968, that the PLP held its Second National Convention in New York City, May 31, to June 2, 1968, at which time the PLP reasserted its objective of the establishment of a militant working class movement based on Marxism-Leninism. This is to be accomplished through the Party's overall revolutionary strategy of raising the consciousness of the people and helping to provide ideological leadership in the working class struggle for state power.

The source also advised that at the Second National Convention, MILTON ROSEN was unanimously re-elected National Chairman of the PLP and LEVI LAUB, FRED JEROME, JARED ISRAEL, WILLIAM EPTON, JACOB ROSEN, JEFFREY GORDON and WALTER LINDER were elected as the National Committee to lead the PLP until the next convention.

The PLP publishes "Progressive Labor", a bimonthly magazine; "World Revolution", a quarterly periodical; and "Challenge-Desafio", a monthly newspaper.

The April, 1969, issue of "Challenge-Desafio", sets forth that "Challenge is dedicated to the peoples fight for a new way of life-where the working men and women control their own homes and factories; where they themselves make up the entire government on every level and control the schools, courts, police and all institutions which are now used to control them."

Source advised on May 8, 1969, that the PLP utilizes an address of General Post Office Box 808, Brooklyn, New York, and also utilizes an office in Room 617, 1 Union Square West, New York, New York.

NRP rally, Second Avenue between 83rd and 84th Street,  
NYC, 6/13/70.

The National Renaissance Party (NRP) held their Saturday night rally from 7:30 p.m. to 9:30 p.m. The rally drew a crowd of approximately 350 persons, including a Jewish group of approximately 30 persons lead by "Becky". Becky and her group attempted to ~~crowd~~ out the speakers by shouting and blowing whistles during their speeches.

The speakers whose remarks were primarily anti-semitic and anti-negro included GREGG LE DUC, DAVID KERR, LOUIE MOSTACCIO and JAMES MADOLE.

During the course of the rally, [ ] noticed an individual in the crowd who was involved in the assault on [ ] on 5/3/70. The NRP members did not know the identity of the individual, but referred to him as "Patch Head", because he was wearing a patch on his head at the time he attacked [ ]. Patch Head yelled at [ ] and this is "Hey [ ] how is your ----- (obscene) head?, you mother ----- (obscene)". After the remark, [ ] realized who the individual was and requested one of the police officers on the scene to arrest the man. He told the officer that the individual had previously assaulted him and that a report had been made concerning the incident to the 24th Precinct. When the police moved in to arrest the man which took seven officers to subdue him, after which they placed him in a squad car. It appeared as though Becky's group was going to storm the squad car. He was taken to the 19th Precinct and subsequently transferred to the 24th Precinct. [ ] and "Patch Head" were taken from the scene in separate squad cars at approximately 8:15 p.m.

[ ] and [ ] JAMES MADOLE, LOUIE MOSTACCIO, [ ] went to the 24th Precinct to find out what had happened to [ ]. When they arrived, [ ] told them that Patch Head had acted like a lamb at police station, but denied he had ever seen [ ] before. He told the arresting detective, [ ] that he was recuperating from a truck accident at the time of the alleged assault. [ ] told [ ] that he witnessed the attack and identified Patch Head as one of the attackers. [ ] was instructed to appear at 8:00 a.m., 6/14/70, in Criminal Court, 100 Centre Street, NYC; for Patch Head's arraignment.

During the course of the rally, the speakers had difficulty being heard because the public address system failed to operate. The NRP members who attended the rally included:

JAMES MADOLE  
BOB WOODCOCK  
BRUCE ITHIER  
LOUIE MOSTACCIO  
DAVID KERR  
GREGG LE DUC  
JOHN PIUS

201 East 69th. Street,  
New York, New York.

Dear Mr. Malone:

Attached is copy of pamphlet which was distributed at the Staten Island ferry (outbound, from Bowling Green) late yesterday afternoon, about 5:00 P.M.

How terrible for America that this can be allowed to occur. This is an outrage - and an abuse of our free form of Government. Is it possible that we have no laws to protect against racial slurs of this type?

The writer served for four years as a fighter pilot during World War II, and was prepared to make any sacrifice necessary for our country. This holds true for today, as well.

Will you please carefully examine the enclosed and advise whether anything can be done to penalize this "National Renaissance Party".

Your attention will be most appreciated.

Very truly yours,

The article captioned "NRP Organizes New Branches in Long Island and New Jersey" reflects that the NRP had frequently been asked to form branches of the NRP to serve in other areas, but have deferred from doing so until they could place men who had been trained at NRP headquarters in NYC at their helm. Only these men would have the necessary combat training, organizational ability and knowledge of the NRP's aims and program to adequately devote themselves to building the NRP in outlying areas of the USA. The first branches, complete with their own officers, letterheads and post boxes, are:

1) NRP, New Jersey Division, Political Coordinator  
DAVID KERR, Post Office Box 233, Fanwood, New Jersey 07023.

2) NRP, Long Island Division, Political Coordinator  
BRUCE ITHIER, Post Office Box 191, Hicksville (Long Island),  
NY 11801.

The article further reflected all members and/or supporters in these areas will be receiving political questionnaires concerning their availability for immediate local or state political projects. Please respond to these questionnaires as quickly as possible to facilitate NRP political activity in your area.

A card was received from James H. Madole dated 7/5/70, which stated as follows:

"I am calling a most important SE meeting on Sunday evening, July 12, at 6 PM, at headquarters. It is vitally necessary to reorganize certain sections of the SE and all dead wood must be removed. I want every SE man to be in attendance on July 12 without fail as I want a head count of those I can depend upon to carry forward these street rallies. Please try to be here at that time or earlier."

James Madole has indicated that he is very upset because everyone seems to be withdrawing from the NRP. Madole stated that [redacted] has just about withdrawn from the organization and [redacted] is a question mark. [redacted] is working Upstate and [redacted] hasn't been showing up for meetings. Madole stated that the next NRP bulletin should be out in approximately one week.

Who is the American NUMBER ONE ENEMY?

THE ONLY AMERICAN ENEMY IS THE  
AMERICAN JEW

The Vietnam war was ~~manipulated~~ brought about by the cunning intrigues of and by Jews. Since the very beginning up to now North Vietnam receives annually millions of dollars, armament, foodstuff from AMERICAN JEWS.

American Jews for taking over American economy, political positions, accumulating, billions of dollars had to bring America into war.

New York City is the Jewish headquarters and Jews are completely taking over New York State.

## Narcotics

Jews are organizers and wholesalers in narcotics; narcotics come mainly from I s r a e l - every school, college, university is supplied by Jews with narcotics. Never in the history (and what is happening in America the same did Jews in Germany) could Jews murder with such an ease other races as now in America.

Jews are employing a large armada of compromised white and black Jewish tools who do run the "risk" in the sale and distribution of narcotics.

It is not enough to write about narcotics but the brain damages and humiliations of young Americans is tenfold and ruined lives.

Jews are the only wholesalers in narcotics. Jewish ADA and DA bring to the courts the Americanx victims; Jewish judges punish the Am. victims; Jewish doctors "cure" the Am. victims; Jewish clerks and officers "lecture" the Am. victims; Jewish teachers, professors, newspapers, TV, radio, magazines lure the Am. victims - you can see it is a very profitable matter (narcotics) for the American Jews - byt- yet the main goal for the American Jews - narcotics is - for the destruction of the non-Jewish races in America (their reputations, their dignity, their brains, their lives.)

## Mental hospitals

have two important functions - one is when a Jew or a black or white slave-workers, or employe in pornography or narcotics is arrested (what seldom happens) then he or she goes into a mental hospital where they are soon released regardless how big their crime was - the second important function is when any tenant who dares to complain in a Jewish house about noise night and day coming from Jewish pornographic factories (apartments where Jewish pornography goes round the clock) or anybody criticizing Jewish crimes and atrocities is immediately send to a mental-prison hospital as "mentally sick" (he hears and sees things which "do not exist") and so Jews get rid in a fast way of any opposition and discovery of Jewish crimes in NYC and other parts of USA is impossible.

### Explosions

Jewish teachers and professors at high schools, colleges, universities teach and instigate non-Jewish students how to make and how to use different self-made bombs .... But all explosions, fires in subways and buildings in NYC and bombings in Washington the Portuguese Embassy and Rhodesian office; St. Ann's Melkite Catholic Church in Paterson N.J. and explosions and bombings in other parts of America are organized and made by Jews - and Jews will continue in it. Let's point out the Jewish Defense League 156 5 Avenue in Manhattan, New York with its 7,500 members all over America which is responsible for all explosions and bombs + (police Headquarters in NYC which was a threat by Jews to police com. Leary.)

Jews got in 1969 over 150 million dollars from Mayor Lindsay for "consultant services" (probably "How to make riots, explosions" and "how to fool people and become masters of them in a fast way.")

### Pornography

is an enormous large Jewish industry. The housing shortage in NYC is due to the hundreds and hundreds of pornographic "factories" in apartments big and small, in Mitchell-Lana houses, in all city, state and federal supported houses but owned by Jews and in Jewish rent-controlled houses goes on the production of pornography round-the-clock.

Prevailing percentage of Jewish pornographic workers and employees are Negroes (many females - who are "tenants" of these apartments where pornographic production goes on round the clock.) but also whites. And these pornographic workers do everything for their Jewish master from perjury, conspiracy, extortion, torture and all frauds to inhuman atrocities to murder. Jewish pornographic workers and employees are on welfare, are "students" with support of SEER, are paid by Neighborhood Youth Corps and get rent-subsidies and all city, state and federal funds which exist.

NYC Jewish courts and their black and white human tools are very busy in punishing (of course under a cloak) persons who oppose or dare to criticize Jewish pornography, narcotics, Jewish atrocities. Jews create artificial everywhere chaos for hiding their dirty work.

The words "Democracy" and "constitution" in America but specially in NYC is only used by the Jews and serves the Jews for preventing Jewish crimes and atrocities to be discovered - the non-Jewish Americans are under Jewish dictatorship and exposed to Jewish atrocities unprotected.

Science is disused and misused by Jews and serves the Jews for more cunning tortures and the complete destruction of all non-Jewish Americans one by one who are not willing to become slaves in Jewish hands. Jews are destroying and liquidating Americans morally, physically, mentally and ruin their reputations.

Jews impute the feeling of guilt; Jewish hyenas call non-Jewish American crazy, lunatics thieves, criminals, naive idiots and Nazis if anybody dares to mention Jewish-perverse-sadistic-atrocities and Americans are paralyzed by the Jewish hyenas.

Jews are against any new law to curb crime or organized crime (why ? ) but Jewish law enforcement agencies get billion of dollars to protect Jewish organized crime.

Pornography is a very important factor for destroying the nerves and it leads to onanism by children and young people and it is for humiliating the human beings - and pornography is a several-billion-dollar-income for Jews - no tax is paid.

Jews are spreading all over America and as Fifth Column are causing chaos and destruction of the American people and its government.

Whatever President Nixon or vice President Agnew say is ridiculed, belittled, distorted, prostituted in newspapers, TV, radio, magazines - these "FREE" mass media which are only JEWISH PROPAGANDIZED MASS POOLINGS.

There is a 50-member-Jewish-group with headquarters in NYC. These Jewish-gangsters decide about America and the world and the decided about the murders of president Kennedy, Robert Kennedy, Dr. Martin Luther King Jr. JEW S NEVER DO THEIR DIRTY WORK THEMSELVES.

Some of the names of the members-gangsters of those fifty Jewish hyenas are: Ocha Sulzberger - main editor of the New York Times; Emanuel Celler - Chairman of the House of Judiciary in Washington; New York Senator Jacob Javits; private builder Samuel Lefrak - owner of Lefrak City in NYC. State Attorney General of NYS Louis Lefkowitz and others.

Some of the members of the large armada of important Jewish dummies are: John Lindsay - mayor of NYC, Frank Hogan - DA for Manhattan, Howard Leary - NYC police commissioner; William O. Douglas; Hugo L. Black - supreme court justices; Senators - Frank Church, John S. Cooper, Mark O. Hatfield, Mike Mansfield, William Fulbright, George McGovern and many others.

Jews are milking all city, state and federal funds. "Environmental conservation" this Jewish slogan will serve the only Jewish purpose of milking billions of dollars out of federal funds and for liquidating non-Jewish industry and corporations.

Jews want to become masters and owners of America and with the American atomic bombs to destroy Russia and China and Jews want to become masters and owners of the world - the Jewish dream of many hundreds and thousands of years would come true.

Look at the Middle East - 2 (two) million of Jews keep under their tyranny 100 million Arabs.

Look at America - 6 (six) million of Jews - fool and tyrannize - enslave, humiliate and murder 194 million of Americans.

Under the cover of law enforcement agencies, civil rights, human rights, environmental conservation and all city, state and federal agencies headed and infiltrated by Jews - Jews do their destructive work against and on the American nation and its president. Under the cover of "doctors", "advisers", "priests" Jews do their destructive work on the morale of the American soldier in Vietnam and other parts and places where the American soldier is.

With the American taxpayers money Jews are penetrating and infiltrating into the economy of European nations. An old Jewish rule "first to take over the economy, by means of mass media, sex and narcotics to destroy people, to cause inflation and to corrupt the government and then to take it over as Jewish "savers" the whole country. While the American taxpayer works - the Jews make intrigues and instigations in America and in all parts of the world.

S T O P      A M E R I C A      B E I N G      A N      I S R A E L      C O L O N Y  
Americans, you must realize as long as ONE JEW IS IN AMERICA  
THERE WILL NOT BE PEACE AND FREEDOM AND  
HUMAN DIGNITY IN AMERICA.

Americans awake, S T O P thousands of murders and humiliations and sadistic-perverse atrocities which are made by Jews on the Americans S T O P being Jewish slaves and Jewish tools or bees in Jewish criminal hands.

A M E R I C A N S      U N I T E, boycott everything what is Jewish (doctors, lawyers, "superiors" etc.etc.)      D I S C O V E R      J E W I S H      C R I M E S, start defending yourself, your home and country by hook or by crook (self-defense comes before anything else.)

A M E R I C A N S, THROW THE JEWS OUT OF AMERICA - MAKE AMERICA      F R E E

P.S.

Who invented and what is Communism?  
Jews invented Communism for themselves  
how to enslave and torture non-Jewish  
human beings.

Copy this or mimeograph it ten or hundreds  
of times and send it to other Americans.

In the name of a tortured America  
T h a n k      y o u

P.S. Any politician who is supporting Jews - in the past or present - who gives and provides Jews with political and economic power is guilty of /-  
G E N O C I D E      A G A I N S T      A L L      A M E R I C A N S  
Thank you.

## A T T E N T I O N

John Lindsay won the elections for Mayor of NYC only by frauds - Jewish pornographic workers and employees in thousands of apartments in NYC voted 3 to 5 times each for Lindsay and Jews themselves made a lot of frauds with votes.

And this will be repeated (that Jewish slaves will vote several times as "tenants" from thousands of apartments which are Jewish pornographic factories) and the Jewish-hyenas will make their frauds and the Jewish - hyena Goldberg will win and Jewish-perverse-sadistic-atrocities will start all over New York State - if Americans do not stop it.

The article captioned "NRP Organizes New Branches in Long Island and New Jersey" reflects that the NRP had frequently been asked to form branches of the NRP to serve in other areas, but have deferred from doing so until they could place men who had been trained at NRP headquarters in NYC at their helm. Only these men would have the necessary combat training, organizational ability and knowledge of the NRP's aims and program to adequately devote themselves to building the NRP in outlying areas of the USA. The first branches, complete with their own officers, letterheads and post boxes, are:

1) NRP, New Jersey Division, Political Coordinator  
DAVID KERR, Post Office Box 233, Fanwood, New Jersey 07023.

2) NRP, Long Island Division, Political Coordinator  
BRUCE ITHIER, Post Office Box 191, Hicksville (Long Island),  
NY 11801.

The article further reflected all members and/or supporters in these areas will be receiving political questionnaires concerning their availability for immediate local or state political projects. Please respond to these questionnaires as quickly as possible to facilitate NRP political activity in your area.

LEADS:

The pretext used was that of a member of a concerned Jewish group who knew of [redacted] through newspaper publicity regarding his arrest as a result of JDL activity. Extension of the pretext indicated that the caller was opposed to JDL activity since it was destroying all of the Jewish good will in the United States and causing a more desperate condition for the captive Jews of Russia. [redacted] who was initially hostile, eventually indicated that he was no longer ideologically in harmony with principles of the JDL as they are now practiced.
